

## Who We Are

Founded in 1972 by a group of local business leaders, the 100 Club of Rhode Island is dedicated to supporting the families of police officers, firefighters, and first responders who have lost their lives in the line of duty. What began as a small initiative has grown into a lasting community committed to honoring and assisting those who serve and protect our communities.

## What We Do

The 100 Club's primary mission is to provide financial assistance to the families of fallen first responders during their most difficult times.

- **Grants** for critical resources such as equipment, training, and facility upgrades.
- **Ongoing programs** to help the families of first responders who were injured or lost in the line of duty.
